Extraordinary General Meeting Results

Results from online voting for two EGM resolutions from 7th January – 21st January 2025

1. EGM Process Overview

The committee called the EGM for members to vote on the two resolutions listed below. The notice for the EGM process was announced to members on December 16, 2024. The two resolutions were sent to members on January 7, 2025, [with links to supporting information](#) and details on how to vote via email (plus two members’ information meetings on January 9 and 16). During the voting period, four emails were sent out to encourage members to vote.

2. Members Who Voted / EGM Quorum

A total of 128 members cast their votes on both resolutions. This included votes from 124 adult members voted, 58% of the current total adult membership (this is well above the constitutional quorum of 30% of all adult members). For perspective, the level of online voting participation was higher than at our last AGM in December and higher than the EGM voting in 2024. The full list of members who voted is attached, although their voting intentions are not disclosed (this information was checked and verified by our Treasurer).

3. EGM Resolutions and Results

Resolution 1 was approved – 114 in favour (89%) with 14 against

“The Club invests up to £45,000 to resurface courts 3 and 4 with artificial clay from April 2025, with no further impact on the previously agreed fee rises of between 2%-3% for the 2025/26 season.”

Resolution 2 approved – 114 in favour (89%) with 14 against.

“The Club invests up to £42,000 to install one temporary padel court on the north end of court 8 from April 2025 (keeping space for the hitting wall on the southern end of the court). The new padel court would be available for members to book at £10 to £20 an hour. As part of the plan, we would increase the maintenance program for hard courts 5,6 and 7 plus look to provide greater access for members to book these courts during the day. The pickleball lines on court 8 would be moved to one of the two public courts. Moving forward with this plan would have no impact on agreed fee rises for 2025/26 season.”

4. EGM Action / Next Steps

With this clear support, the committee will do everything possible to install the new clay courts and the new padel court in time for the start of the new season. But please be patient, the hard work has only just begun!
